A UNITED ARTISTS RELEASE

"In Hollywood, we're really on a merry-go-round schedule during picture making time . . . a girl has to be careful to keep her energy up and her figure fit. Because of the long day we put in, we eat at odd hours or sometimes even miss meals altogether. So I often take pleasant-tasting Wate-On Emulsion as a meal time supplement, and I eat Wate-On Tablets for a quick energy lift between meals. Both forms of Wate-On are super concentrated with calories, vitamins, minerals, quick energy elements and other body building ingredients. If you're skinny and underweight because of poor appetite or poor eating habits, ask your doctor about what Wate-On can do for you. It could be that the boys won't be calling you 'Skinny' anymore."

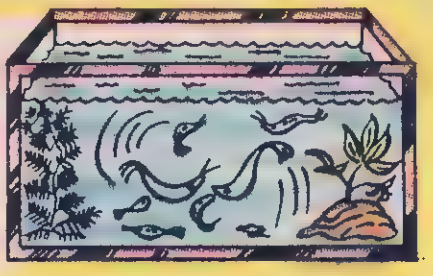
INSTANT LIVE SEA ANIMALS

just add water . . . you've got INSTANT LIFE

ONLY $1.00



It's true. Now, right before your eyes — in just 24-72 hours — a happy troupe of hundreds of playful tumbling sea-monkeys (exotic Saskatchewan Brine Shrimp) that are more fun than a sea full of seals. Amaze both children and adults as you watch the comic antics of these fantastic underwater sea clowns. Day and night you'll see them chase each other in a playful game of hide and seek. The loser gets caught by the tail and is spun in a dizzy circle. See the "showoffs" turn somersaults under water . . . see the ticklish ones scratch each others' backs. Watch them cavort singly or glide gracefully in formation creating your own underwater circus.

MIRACLE OF LIFE

Right before your eyes these genuine live sea animals burst forth from "magic" powder eggs which will remain alive as long as eight years. You can raise an entire troupe in an ordinary glass jar using just tap water. It's so easy . . . just empty the package into a jar or fish bowl, add water and you have created "instant life." You can have a whole sea brood to give as gifts or sell if you wish.

SEE THEM OBEY YOUR SILENT COMMANDS

Darken the room and watch them follow a flashlight or candle beam forwards, backwards, sideways or around like a pack of happy kids playing follow the leader. Order now.

SEE THEM CHANGE COLOR

Mail this coupon and we'll send you 3 colors of sea-monkeys — white, pink and red. These are their natural colors. Yet, with a drop of vegetable food dye in their water, you can change the color of these little sea monkeys as often as you wish. Make them green, blue, purple, yellow or any other hue or shade without harming them. This dye will enable you to see their internal organs and how their life processes function.

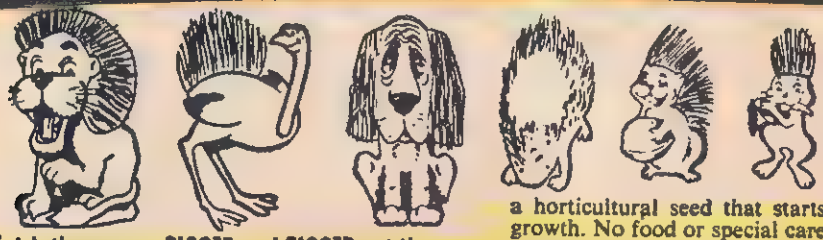
AMAZING CIRCUS of 6 GROWING ANIMALS



Watch them grow BIGGER and BIGGER pet the little fellows, even give them haircuts!

Amazing but true! Watch these toy animals grow like CRAZY faster and faster, bigger and bigger every day right before your eyes. Both children and adults will laugh and thrill with excitement as Ozzie the Ostrich grows his own full-feathered plume, Simba the Lion grows a long flowing mane, Smiley the Porcupine grows needles of hair, Sleepy the Hound Dog grows sad droopy ears, and Scamper the Squirrel grows a big bushy tail. And they keep growing bigger and bigger for weeks and weeks of thrills and excitement.

The Secret of Growth

These amazing toy pets actually feed and start to grow as soon as you "lead" them to a plastic cup or glass of water. The secret is a new scientific process that releases a horticultural seed that starts the miracle of life and growth. No food or special care is required to grow your own animal circus. You can pet them and even give the little fellows "haircuts" if you want. Not yet sold in stores. You must order direct by mail. So don't delay, be first in your neighborhood. the End

"BE MY LOVE!" CONTINUED FROM LAST ISSUE!

pretended that nothing had happened. No one at Farriday's knew that Ron had broken our engagement . . . that I had been jilted. The ring on my finger made it appear that everything was the same as it always had been.

One day young Bill Haley rang for me to come into his office. I took my dictation pad and tried to fix a bright smile on my face. Bill had arranged so many favors for me where Ron was involved. He had fixed Ron's transfer from salesclerk to assistant buyer, and at the time I had been so grateful to him.

His friendly face looked up at me as I came in.

"Morning, Diane."

I handed him some correspondence. Then, I took his dictation, and finally I stood up to leave.

"By the way, Diane, how is Ron coming along on his new job?"

"Oh, very well, thank you," I replied. But I couldn't look him in the eyes when I said it.

"Diane, would you do me a favor? Would you have lunch with me today? I think I owe you an explanation and an apology."

"Do you?" My eyes opened wide, but I agreed to meet him at a small restaurant around the corner at noontime.

All morning long I wondered what it could be about. And when we were finally sitting across the table from one another, Bill shyly explained.

"I just can't go on pretending to be a hero when I'm really a heel. You see, I was the one who fixed Ron with that new job, lined up the contact for him, but not because I wanted to do him or you a good turn. I really had Ron pegged all wrong. I thought he was fickle, that he'd drop you as soon as he didn't need you to help him any longer. So I arranged that out-of-town job for him. And it's been on my conscience ever since. Especially since I see that you're still wearing his engagement ring.

"Well, there's a new junior executive opening at Farriday's, and I can ask Ron to come back.

I feel responsible for sending him off, so maybe I can make it up to you this way."

My cheeks colored, and my eyes filled with tears, not for Ron, but for Bill's sweetness. I knew that Ron would jump at the chance to return to Farriday's as a junior exec, and I realized that I might have a chance to win him back that way. But I didn't want him. I learned my lesson. Ron was not the man for me.

"Thank you, Bill," I murmured, "but I guess *I'll* have to stop pretending. Ron broke our engagement two months ago. You were right. He was using me for what I could do for him at Farriday's."

"Why, that's wonderful!"

I looked at Bill in amazement. He took my hand in his gently.

"I was always trying to work up enough courage to ask you to go out with me," he continued. "But then Ron came along. He wasted no time with you, Diane, and I admit I was jealous. I even told myself I was suspicious of the way he used your connections to advance at Farriday's because of the way I felt about you. But I couldn't help myself, Diane. Secretly I guess I hoped he'd show his true colors."

"I guess *you* knew him better than *I* wanted to know him," I admitted. "Once I got involved, Bill, my stupid pride blinded me to the truth. And this cheap imitation ring prolonged my misery and my loneliness."

I took the ring from my finger. I tossed it into the ashtray on the table.

"You see, I returned Ron's ring, but I kept up the pretense. I think I've grown up now, Bill. No more phony engagements, no more phony men in my life."

"Does that mean *I* stand a chance now, Diane?" asked Bill hopefully.

My heart lifted. I reached for his hand and held it tightly. At last I was able to appreciate the "genuine article." The radiance of the future looked brighter than any ring that could sparkle on my finger. For the look in Bill's eyes and mine was "for real!"
